Canadian Arab Federation

Dear 37

Thank you for meeting with me last week in Toronto. As we discussed, the Commission is very interested in working with any group of Canadians who may be the victims, or potential victims, of hate on the Internet. We believe that section 13 of the Canadian Human Rights Act is an important tool in the fight against hatred in Canada.

You can find further information about the Commission's work with regard to hate on the internet on our website at:

[http://www.chrc-ccdp.ca/proactive\\_initiatives/default-en.asp](http://www.chrc-ccdp.ca/proactive_initiatives/default-en.asp)

As we discussed, the Commission would be pleased to meet with representatives of your organization to brief them on section 13.

Please feel free to contact me at the coordinates below should you wish to discuss this or other issues of relevance to the Commission. If I cannot help you directly I will put you in touch the appropriate person.
